(repeat)

live intro starts here (note when played live it is always faster)

```
G|--11-11-12-14-12-11----6-6-7-9-7-6----9-9-11-12-11-9-11--
-7---7---7-|
D|-0-----12\7-----7-----5-5-

(listen to song for rhythm)
```

```
G|11111111--9-9-9-9--11111111-7-7-7-7-|
D|0-0-0-0--7-7-7-7--9-9-9-9--5-5-5-5-|
A|-----| x4
E|-----|
```

Guitar Part

```
G|11111111--9-9-9-9--11111111-7-7-7-7-|
D|0-0-0-0--7-7-7-7--9-9-9-9--5-5-5-5-|
A|-----| x2
E|-----|
```

Now play this twice

```
G-----
---
D-----
---
A-5-5-5-5-5-5-5-5-----2-2-2-2-2-2-2-2-
---
E-----5-5-5-5-5-5-5-5-----
-3-3-3-3-3-3-3-3-
```

Now bust into this little riff that Mark plays behind the guitar.

Listen carefully, its there. Play it twice.

```
G-----
-----
D-16-16-16-16-16-16-16-16--14-14-14-14-14-14-
-16-16-16-16-16-16-16-16--12--14--12--11
A-14-14-14-14-14-14-14-14--12-12-12-12-12-12-
-14-14-14-14-14-14-14-14-
E-----
-----
```

Now onto the verse

```
G-----
-----
D-----
```

```
A-5-5-5-5-5-5-5-5-----2-2-2-2-2-2-2-2-
/-10-10-10-10-10-10-10-10-/12\-
E-----5-5-5-5-5-5-5-5-----
```

The little /12\ is one of those little flourishes Mark used to do.

```
G-----
-----
D-----
```

```
A-5-5-5-5-5-5-5-5-----2-2-2-2-2-2-2-2-
/-10-10-10-10-10-10-10-10-/12\-
E-----5-5-5-5-5-5-5-5-----
```

(I Talk to you every now and then)

```
G-----
-----
D-----
```

```
A-5-5-5-5-5-5-5-5-----2-2-2-2-2-2-2-2-
/-10-10-10-10-10-10-10-10-/12\-
E-----5-5-5-5-5-5-5-5-----
```

Just play that until Tom sings "Just you wait and see." That's when you go on to this riff 4 times before going back to main riff. I guess it would be called the chorus.

```
G-----
---
D-----
---
```

```
A-5-5-5-5-5-5-5-5-7-7-7-7-7-7-7-7-7-/-12-12-12-12-12-12-12-
/14\-
E-----
```

```
G-----
D-----
A-10-10-10-10-10-10-10-10-/12\-
E-----
```

After playing the verse for a while, go to the guitar solo and play this:

```
G-----
D-----
A-5-----2-----5-----2-2-2-2-/-10-10-10-10-
E---5-----3-----5-----
```

And then immediately play this several times:

```
G-----
-----
D-----
```

```
A-5-5-5-5-5-5-5-5-----2-2-2-2-2-2-2-2-
/-10-10-10-10-10-10-10-10-/12\-
E-----5-5-5-5-5-5-5-5-----
```

And then this several times:

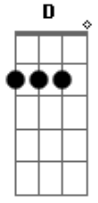

```
G-----
---
D-----
---
```

```
A-5-5-5-5-5-5-5-5-7-7-7-7-7-7-7-7-7-/-12-12-12-12-12-12-12-
/14\-
E-----
```

```
G-----
D-----
A-10-10-10-10-10-10-10-10-/12\-
E-----
```

Play the last riff until the end, and then finish on an A-5
