As duas intros são parecidas, veja qual forma você acha mais fácil tocar

verso:(C,G,A,F )

A musica fica o tempo todo nisso. Até na parte mais lentina, só muda a batida.

Faz esse riff duas vezes, mas na segunda repete a segunda parte do riff (2x)

A sequência é:

Intro: Aew galera esse e o jeito mais fácil de tocar essa música, eu toco assim!! XDDD!!

E a letra:

It's all right to tell me what you think about me  
I won't try to argue or hold it against you  
I know that you're leaving you must have you're reasons  
The season is calling you're pictures are falling down

## Acordes

The steps that I re-trace, the sad look on you're face  
The timing and structure, did you hear? He fucked her.  
A day late, a buck short, I'm writting the report  
On losing and failing, when I move I'm flailing now

-Refrão-

And it'll happen once again  
I'll turn to a friend  
Someone that understands  
Sees through the master plan  
But everybody's gone  
And I've been here for too long  
To face this on my own  
Well I guess this is growing up (2x)

And maybe I'll see you in a movie, sneek preview  
You'll show up and walk by on the arm of that guy  
And I'll smile and you'll wave we'll pretend it's O.K.  
The charade, it won't last, when he's gone i won't come back

-Refrão-

And it'll happen once again  
You'll turn to a friend  
Someone that understands  
Sees through the master plan  
But everybody's gone  
And you've been here for too long  
To face this on your own  
Well I guess this is growing up

Well I guess this is growing up (5x)
