

Blink 182 - Degenerate

Tom: **Bb**

Written by Blink-182

When it comes to my music, punk music, you can't do any better than Blink-182. Anyway, here's one of the few tracks I could do, since most of the others have already been tabbed out. Here goes:

Chords used:

Bb **Fii** **Eb** **C** **F**

[Verse:]

Bb **Fii** **Eb** **C** (4x)

Then play verse riff 4x:

[Chorus:]

Bb **F** **Eb** **Fii** (2x)

Chorus Riff:

After playing the Chorus riff after the 2nd chorus, go into solo:
(p-pull off)

(con't.)

Lyrics:

Crossed the street, naked at night. Bent over to show some moonlight.
Pulled out some beer and I gulped it down. Nude in a gutter is how I was found. Thrown in a police car and the door slammed. No noise just silence
as I screamed my dick was jammed. Now in prison for one month, no one to see. All I got is this guy, Ben Dover.
Don't like hesh, don't like rap, kicked ol' sally cause she's fat, I'm a jerk, I'm a punk, took a shower cause I stunk, smoked a bong, killed a cat, had my nuts attacked by rats. Dad got nude, I wore a thong, for a hobby I make bombs.
Went to a farm, to tip some cows. Forgot that I left my pants down. Bent over to pick them up, felt a 12-guage, next to my hum-diddy dum. The farmer took me to his house, showed me the closet from the inside out.
The police came, and took me away, saw Ben Dover again, he's still gay.

That's it! Please e-mail me, all you Blink fans out there. Gimme questions, comments, requests, whatever.
Thanx

Luke
