(verso - guitarra sai, as notas sao do baixo na verdade)

C
In the car, i just can't wait
G F
To pick you up on our very first date
C
Is it cool if i hold your hand
G F
Is it wrong if i think it's lame to dance
Agora entra uma guitarrinha :

(riff 2)

C
Do you like my stupid hair ?
G F
Would you guess that i didn't know what to wear ?
C
I'm just scared of what you think
G F
You make me nervous so i really can't eat

(pré-refrão)

C
let's go

Am F
This night is almost over
C
honest
G
let's make
Am F G
This night last forever

(refrão)

Forever and ever
Am F G
Let's make this last forever
C G
Forever and ever
Am F G
Let's make this last forever

(repete intro)

C
When you smile i melt inside
G F
I'm not worthy for a minute of your time
C
I really wish it was only me and you
G F

I'm jealous of everybody in the room
C
Please don't look at me with those eyes
G F
Please don't hint that you're capable of lies
C
I dread the thought of our very first kiss
G F
I target that i'm probably gonna miss

C
let's go
G
don't way
Am F
This night is almost over
C
honest
G
let's make
Am F G
This night last forever

C G
