Riff A(Pt.2)x 1

Riff **B** x 1

Last Chord

Letra:

=====

It's Christmas Eve, and I've only wrapped two fuckin' presents  
 it's Christmas Eve, and I've only wrapped two fuckin' presents  
 and I hate, hate, hate your guts  
 I hate, hate, hate your guts  
 and I'll never talk to you again

Unless your dad will suck me off  
 I'll never talk to you again  
 unless your mom will touch my cock  
 I'll never talk to you again  
 ejaculate into a sock  
 I'll never talk to you again  
 I'll never talk to you again

It's Labor Day and my Grandpa just ate seven fuckin' hotdogs  
 it's Labor Day and my Grandpa just ate seven fuckin' hotdogs  
 and he shit, shit, shit his pants  
 he always fuckin' shitin' his pants  
 and I'll never talk to you again

Unless your dad will suck me off  
 I'll never talk to you again  
 unless your mom will touch my cock  
 I'll never talk to you again  
 ejaculate into a sock  
 I'll never talk to you again  
 I'll never talk to you again
