I can't sleep cause what if I dream

Of going back to San Diego

We bought a one way ticket

So we could go see the Cure

And listen to our favorite songs in the parking lot

And think of every person I ever lost to San Diego

(To San Diego)

Can't go back to San Diego (Can't go back to San Diego)

Am G F  
Abandoned Houses with the lights on

Late at night I call your name

Abandoned love songs smashed across the hardwood floors

I read the sadness on your face

Of going back to San Diego

We bought a one way ticket

All of the pain and the fear

Your secrets filled up my ears

Like the ocean blue

I never wanted to know

How deep these cuts on you go

And like a river they flow to the ocean blue

I can't sleep cause what if I dream

Of going back to San Diego
