

Blink 182 - Story of a girl

Tom: G

This is the story of a girl
 Who cried a river and drowned the whole world
 And while she looks so sad in photographs
 I absolutely love her
 When she smiles

How many days in a year
 She woke up with hope but she only found tears
 And I can be so insincere
 Making the promises never for real
 As long as she stands there waiting
 Wearin' the holes in the soles of her shoes
 How many days disappear
 You look in the mirror, so how do you choose

Your clothes never wear as well the next day
 And your hair never falls in quite the same way
 You never seem to run out of things to say

This is the story of a girl
 Who cried a river and drowned the whole world
 And while she looks so sad in photographs
 I absolutely love her
 When she smiles

How many lovers would stay
 Just to put up with this shit day after day
 How did we wind up this way
 Watching our mouths for the words that we say
 As long as we stand here waiting
 Wearing the clothes of the souls that we choose
 When she smiles...

How do we get there today
 When we're walking too far for the price of our shoes
 Your clothes never wear as well the next day
 And your hair never falls in quite the same way
 But you never seem to run out of things to say

This is the story of a girl
 Who cried a river and drowned the whole world
 And while she looks so sad and lonely there
 I absolutely love her
 When she smiles

Solo: (play 4 times... you can fool around with some of the other chords here)

Your clothes never wear as well the next day
 And your hair never falls in quite the same way
 But you never seem to run out of things to say

This is the story of a girl
 Who cried a river and drowned the whole world
 And while she looks so sad in photgraphs
 I absolutely love her

This is the story of a girl
 Her pretty face she hid from the world
 And while she looks so sad and lonely there
 I absolutely love her

This is the story of a girl
 Who cried a river and drowned the whole world
 And while she looks so sad in photographs
 I absolutely love her
 When she smiles
 When she smiles...
