

Blink 182 - The Fallen Interlude

Tom: **G**

Tabbed by Juliano 182 - 70M - 182
for Electric Guitar (STANDARD TUNING)

Notes: Ever thought Blink 182 would play something like this?

Notes: Played CLEAN, no distortion!!! Second guitar in the main riff? No, there isn't; some delay has been used, and harmonics have been artificially added.

Notes: For more Blink 182 tabs and Japanese Punk Rock / Pop Guitar and Bass tabs, please visit www.TJFweb.com

Intro:

Main Riff:

End on:

```
e|-17/7-|
B|-----|
G|-----|
D|-----|
A|-----|
E|-----|
```

Really want to play the keyboard part? Downstroke this:

```
e|--12--|
B|--12--|
G|--12--|
D|-----|
A|-----|
E|-----|
```

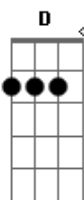

Lyrics:

Down down down, pick me up I'm falling...
Down down down, pick me up I'm falling...
Down down down, pick me up I'm falling...
Down down down, pick me up I'm falling...
