

Blink 182 - Turn This Off!

tom:

C

[Primeira Parte]

If you're too sensitive
Well turn this off
If you're offended by these words then
Please fuck off

If you're an asshole with a
Dick then that's something
I can lick Then maybe we can

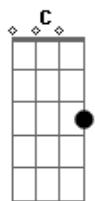

Call ourselves proctologists

[Segunda Parte]

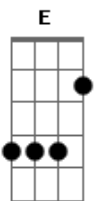

When I first took you
Out for sushi on a date
You took me home
I sadly pumped away

On your stomach face or ass
It's your fault I came fast
So don't blame it on me
That's a you thing
