

Blink 182 - Turn This Off!

tom:

C

[Primeira Parte]

If you're too sensitive
 Well turn this off
 If you're offended by these words then
 Please fuck off

If you're an asshole with a
 Dick then that's something
 I can lick Then maybe we can

Call ourselves proctologists

[Segunda Parte]

When I first took you
 Out for sushi on a date
 You took me home
 I sadly pumped away

On your stomach face or ass
 It's your fault I came fast
 So don't blame it on me
 That's a you thing
