

# Blink 182 - Turn This Off!

tom:

C

[Primeira Parte]

If you're too sensitive  
 Well turn this off  
 If you're offended by these words then  
 Please fuck off

If you're an asshole with a  
 Dick then that's something  
 I can lick Then maybe we can

Call ourselves proctologists

[Segunda Parte]

When I first took you  
 Out for sushi on a date  
 You took me home  
 I sadly pumped away

On your stomach face or ass  
 It's your fault I came fast  
 So don't blame it on me  
 That's a you thing
