x think of a while ago
 We might have had it all
 I was so stupid then
 You needed time to grow
 But now just as things change
 As well my feelings do
 In time things rearrange
 I am so sick of chasing you

Ab - E - B - Gb

But what do I get 'cause I just seem to lose
 You make me regret those times I spent with you
 And playing those games as I wait for your call
 And now I give up, so goodbye and so long

B - E - Gb

It's not a change of pace
 This time I'll get it right
 It's not a change of taste

I was the one there last night
 You have your other friends
 They were there when you cried
 Didn't mean to hurt you then
 Best friends just won't leave your side

Ab - E - B - Gb

But what do I get 'cause I just seem to lose
 You make me regret those times I spent with you
 And playing those games as I wait for your call
 And now I give up, so goodbye and so long

B - E - Gb

It's not a change of pace
 This time I'll get it right
 It's not a change of taste
 I was the one there last night!
 When I needed you most
 When I needed a friend
 You let me down now Like I let you down then
 So Sorry, It's Over

Ahhhhh.....
