Tom: D

Tom: D

Intro: / Riff: D G D G D G

I know
 I can have forces to go on
 But sometimes I feel alone
 And I feel I can't carry on, carry on

I know
 All I really want
 Is the company of someone
 'Cause I can't go on alone, alone

I know that we can feel fine
 If we're fighting side by side
 It seems like the sun shine
 Our light we just can't hide
