

Blisstears - I Know

Tom: D
Intro: / Riff: D G D G D G

I know
I can have forces to go on
But sometimes I feel alone
And I feel I can't carry on, carry on

I know
All I really want
Is the company of someone
'Cause I can't go on alone, alone

I know that we can feel fine
If we're fighting side by side
It seems like the sun shine
Our light we just can't hide

There's no time to loose in illusion
