

Bloco da Saudade - Panorama de Folião?

Tom: **D**

Vem conhecer o que é harmonia

Nesta canção

O "Inocentes" apresenta

Um Lindo panorama de folião

Nossos acordes fazem a mocidade

Ter alegria

E faz inveja a muita gente
Em ver o "Inocentes" como o rei da folia

Vem, meu bem

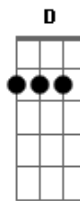

Alegria que o frevo contém

É a do meu coração

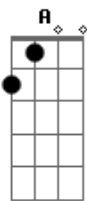

Vem pegar no meu braço

Vamos cair no passo sem alteração
