

# Blondie - Already Naked

Tom: E

E  
October got us in the door  
E  
November pushed us to the floor A  
A  
When our last rain fades  
E  
We can still radiate  
E  
Remember all the time it took  
Remember how you gave me that look A  
And it's not too late  
Gb  
And it's not too late  
[Pre-Chorus]  
B Gb  
Are you getting dizzy?  
G Gb E C B  
Cause there's something in the water

E  
Drink wine, already naked  
E  
Inside, sun on the pavement  
A  
Feels like we could be dancing  
A  
Tonight, maybe a chancer

E  
Drink wine, already naked  
E  
Inside, blood on the pavement  
A  
Feels like we could be dancing  
A  
Tonight, maybe a chancer

E  
A stylising interlude  
E  
We can't be safe, nothing to prove A  
A  
But we'll be okay  
A  
And a (...???)

E  
The richer ups and tumble sea  
E A  
The bed is there for you and me  
A  
I've got all this time  
A E
