

# Blue October - I Hope You're Happy

Tom: G  
Intro: C

C  
There will be days when you're falling down  
C  
There will be days when you're inside out  
Am  
There will be days when you fall apart  
Am  
Someone else will break your heart  
F  
They're never gonna hold you back  
F  
I'm always gonna have your back  
G  
So try to remember that  
C  
I hope you're happy  
Am  
I hope you're good  
F  
I hope you get what you wish for  
G  
And you're well-understood  
C  
And now I'm standing here, looking at you  
I wonder what the hell you're gonna do  
Am  
With those Dr. Pepper eyes and your bubble gum hair  
Yeah, I'm standing right here  
F  
I remember how I held you so right  
I remember that Saturday night  
G  
Do you?  
C  
There will be days when you're falling down  
Am  
There will be days when you're inside out  
There will be days when you fall apart  
Someone else will break your heart  
F  
They're never gonna hold you back  
I'm always gonna have your back  
G  
So try to remember that  
C  
I hope you're happy  
Am  
I hope you're good

I hope you get what you wish for  
And you're well-understood  
And whatever your progress  
I know you'll be fine  
Because I hope you're happy  
Even if you're not mine  
I remember when the world was ours to take  
I remember you next to me  
Am  
I remember you with every breath I take  
C  
You'll always have a piece of me  
I remember, yeah  
Try to remember that  
C  
I remember every word that we spoke  
Am  
You right here next to me  
I remember how we tried and we tried  
G  
I remember everything  
Try to remember that  
C  
That I hope you're happy  
That I hope you're happy  
I hope you're happy  
Am  
I hope you're good  
F  
I hope you get what you wish for  
G  
And you're well-understood  
C  
And whatever your progress  
Am  
I know you'll be fine  
F  
Because I hope you're happy  
G  
Even if you're not mine  
Try to remember that  
C  
I hope you're happy
