

Blue October - King

tom:

Intro: Am C

Am G
Follow your heart

Em F7M
Follow your feet, your soul

Am G Em F7M
Follow your dreams wherever they go

Am G
And never slow down

Em F7M G
And find someone to share it within... and then never let them go

C G F7M
Hold me close, closer than ever before (uhh...I)

Just love me like you won't let go

With all that I know, with all that I am (uhh...I)

Just love me like you won't let go (yeah)

Am G
We light up the dark

Em F7M
We light up the streets with gold

Am G Em F7M
And follow your dreams wherever they go

Am G
And never slow down

Em F7M G
And find someone to share it within... and then never let

them go

C G F7M
Hold me close, closer than ever before (uhh...I)

Just love me like you won't let go

You're all that I know, you're all that I am (uhh...I)

Just love me like you won't let go

And when you take away everything

Just you in my arms, I feel like a king

F7M
Holding you close

Oh I... love you like I won't let go

And when you strip away everything

Just you in my arms, I feel like a king

F7M
But I'm holding you close

Oh I... love you like I won't let go

C G F7M
So hold me close, closer than ever before (uhh...I)

Just love me like you won't let go

You're all that I know, and you're all that I am (uhh...I)

Love me like you won't let go

Acordes
