

Bluetree - Jesus Healer

Tom: Bb
Intro: Bb F Gm F Eb

On the cross
Blood and water flowed
The son of man was lifted high
His body broken
Broken for the world
This is love
This is love
Jesus Jesus Healer
Be lifted up
Be lifted up
Your Kingdom come
Your will be done

forever
Be lifted up today
By Your stripes and wounds we are made whole
By your death we live (By your death we live)
The cross defeated all our sickness and pain
We're ransomed by the king
Jesus Jesus Healer
Be lifted up
Be lifted up
Your Kingdom come
Your will be done
forever
Be lifted up today
(keep on Eb to finish)
