 To eat the crust of pizza
 Been taken out by her daughter
 Because she thought she ought'a
 The kids are eating snickers
 Because they're so delicious
 Then there's sticky fingers
 And mother loses her knickers
 (chorus)
 Bank holiday comes six times a year
 Days of enjoyment to which everybody cheers

Bank holiday comes with six pack of beer
then its back to work A.G.A.I.N.
 Bar-b-que is cooking
 Sausages and chicken
 The patio is buzzing
 The neighbours they are looking
 John is down the fun pub
 Drinking lots of lager
 Girls and boys are on the game
 And all the high streets look the same
