

Blur - Clover Over Dover

Tom: **A**

(intro)

(verse)

Dbm **B** **A**
I'm on the white cliffs of Dover
Dbm **E** **A**
Thinking it over and over
Dbm **B** **A**
But if I jump its all over
Dbm **E** **A** **B**
A cautionary tale for you

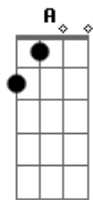

(verse 2 - same chords)
I love to roll in the clover
With you over and over
On the white cliffs of Dover
And then I'd let you push me over

Gbm **Gb** **Dbm** **B** **C** **B** **A** **Abm**
And if that is the fact then in actual fact it's not where
it's at and it's over

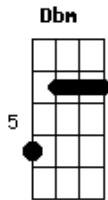

(repeat)

(verse 3 - same chords)
And now the bluebirds are over
The white cliffs of Dover
So when you push me over
Don't bury me I'm not worth anything
