

# Blur - End of a Century

Tom: C

She said there's ants in the carpet  
 Dirty like monsters  
 Eating all the morsels  
 Picking up the rubbish  
 Give her effervescence  
 She needs a little sparkle  
 Good morning tv  
 You're looking so healthy  
  
 and we all say  
 Don't want to be alone  
 We wear the same clothes  
 Because we fell the same  
 And kiss with dry lips

When we say good night  
 End of the century.. it's nothing special  
  
 Sex on tv  
 Everybody's at it  
 And the mind gets dirty  
 As you get closer to thirty  
 He gives her a cuddle  
 They're glowing in a huddle  
 Good night tv  
 You're all made up  
  
 And you know that (Refrão)  
  
 Solo: G, G7, Em, D, D#, D, Bm, C  
  
 Can you eat her yes you can (refrão)
