

Blur - Entertain Me

Tom: C

^A
The weekend is back
^{F F7}
But so is he
^C
Head to the floodlights
^G
See the fraternity
^D
They are waiting
^A
I hear them up in the north
^{F F7}
And down in the south
^C
And all that is spewing
^{G D}
Spewing out of his mouth

(chorus) ^{A F F7 C G D}
Entertain me

^A
At his and hers dating
^{F F7}
Bored minds agree

^C
Requirements to be stated
^G
Replies awaited
^A
She wants a loose fit
^{F F7}
He wants instant whip
^C
He guesstimates her arrival
^{G D}
Will she want it really badly

(chorus) ^{A F F7 C G D}
Entertain me

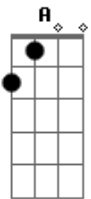

^A
A car, a house both in street
^{F F7}
The boredom of the sober week
^C
The weekend is here, hip hip hooray
^{G D}
To make the blues just go away

(chorus) ^{A F F7 C G D}
Entertain me
