

# Blur - Ernold Same

Tom: C

Ernold Same <sup>C</sup>awoke from the <sup>Bbm7</sup>same dream  
 In the <sup>C</sup>same <sup>Bbm7</sup>bed at the <sup>C</sup>same time  
 Looked in the <sup>Am</sup>same mirror  
 Made the <sup>Eb</sup>same frown  
 And felt the <sup>G7</sup>same way as he did every day,  
 Then <sup>C</sup>Ernold Same <sup>Bbm7</sup>caught the <sup>C</sup>same train  
 At the <sup>C</sup>same <sup>Bbm7</sup>station, sat in the <sup>C</sup>same seat  
<sup>Am</sup>

With the same nasty stain  
 Next to same old what's his name  
 (on his way the same place to do the same thing)  
 Again and again...poor old Ernold Same.  
 Oh Ernold Same,  
 His world stays the same,  
 Today will always be tomorrow,  
 Poor old Ernold Same,  
 He's getting that feeling once again,  
 Nothing will change tomorrow.
