

Blur - Gene By Gene

Tom: F

Album: Think Tank

Here we go.

Intro: (w/ Wah)

C F
I've got a brain in a left hand drive
F
I don't sleep other side
C
I ride a bullet like I'm Steve McQueen
F
Each town, I intervene
C
A gram of keef and the barn is jumping
F
It's alright, we got time
C
Got a radio hit in mind,
F
Can't see am I blind
C Bb
Every night and day, I never thought it
C Bb

In the U. I delete myself

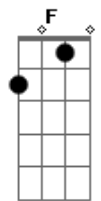

C Bb

C
Got to get to know you gene by gene
F
You're my jellybean
C
I'm in shower and I'm Force 15
F
But I'm dead when I'm clean
C
Fatboy and the barn is jumpin'
F
It's alright, it's just fight
C
Got to get into a better business
F
Deep down, happiness
C Bb
Every night and day, I never thought it
C Bb
In the U. I delete myself

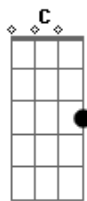

C Bb

That's how it goes. Questions? Comments?
