

Blur - It Could Be You

Tom: C

C Bb Am G D E7
 Churchill got his lucky number
 But tomorrow there's another
 G G
 Could be me could be you
 C Bb Am
 No silver spoon
 G D E7
 Sticky teeth they rot too soon
 Am D
 You've got to have the best tunes
 G G
 Or that's it you've blown it
 F E A D
 All we want is to be happy
 F E A D
 In our homes like happy families
 F E C Bb
 Be the man on the beach with
 Am G
 The world at his feet
 D E7
 Yes, it could be you

C Bb Am
 The likely lads
 G D E7
 Are picking up the uglies
 Am
 Yesterday they were just puppies
 D G G
 Beery slurs now life's a blur
 C Bb Am
 Telly addicts
 G D E7
 You should see them at it
 Am D
 Getting in a panic
 G
 Will we be there
 G
 Trafalgar Square?
 C Bb Am
 So don't worry
 G D E7
 If it's not your lucky number
 Am D
 Because tomorrow there is another
 G G
 Could be you, could be me
