

# Blur - It Could Be You

Tom: C

C Bb Am G D E7  
Churchill got his lucky number

Am  
But tomorrow there's another

G G  
Could be me could be you

C Bb Am  
No silver spoon

G D E7  
Sticky teeth they rot too soon

Am D  
You've got to have the best tunes

G G  
Or that's it you've blown it

F E A D  
All we want is to be happy

F E A D  
In our homes like happy families

F E C Bb  
Be the man on the beach with

Am G  
The world at his feet

D E7  
Yes, it could be you

C Bb Am  
The likely lads

G D E7  
Are picking up the uglies

Am  
Yesterday they were just puppies

D G G  
Beery slurs now life's a blur

C Bb Am  
Telly addicts

G D E7  
You should see them at it

Am D  
Getting in a panic

G  
Will we be there

G  
Trafalgar Square?

C Bb Am  
So don't worry

G D E7  
If it's not your lucky number

Am D  
Because tomorrow there is another

G G  
Could be you, could be me
