

# Blur - Luminous

Tom: **C**

Don't <sup>D</sup> look at me as <sup>F</sup> though I'm not here  
 Your only regret what you don't see  
 You know more than I so think for me  
 Think why you're not me (back to the main riff)  
 No substitute for the girl of dreams  
 She never knew who you are  
 Half my life has been explained

Half your life has been explained  
 You want the other half again (back to the main riff)  
 (This middle section gets kind of complicated, but here are the chords from the book)  
**A C G E F A D** (2x) **A E** (main riff 8x)  
 Don't <sup>D</sup> look at me as <sup>F</sup> though I'm not here  
 Your only regret what you don't see  
 Half my life has been explained
