

Blur - Parklife

Tom: G

Confidence is the preference for the habitual voyeur of what
 is known as
 (Parklife)
 And morning setup can be avoided if you take a route straight
 through
 what is known as (Parklife)
 John's got brewer's droop he gets intimidated by the dirty
 pigeons they
 love a bit of it (Parklife)
 Who's that gut lord marching...you should cut down on your
 porklife
 mate...get some exercise
 All the people

So many people
 They all go hand in hand
 Hand in hand throught their parklife
 I get up when I want, except on Wednesdays when I get rudely
 awaken by the
 dustmen
 I put my trousers on, have a cup of tea, and I think about
 leaving the
 house
 I feed the pigeons, I sometimes feed the sparrows too it gives
 me a feeling of
 enormous well being
 And then I'm happy of rht rest of the day safe in the
 knowledge there will
 always be a bit of my heart devoted to it
 It's got nothing to do with your Vorsprung Durch Technic you
 know
 And it's got nothing to do with you joggers who go round and
 round
