

Blur - Wear Me Down

tom:

C

Every time I come here

Ab Bb C

I'm not sure what to say

Ab Bb C

I know it should be easy

Ab Bb C

But it never seems that way

Ab Bb C

You, you make me feel

Ab Bb C

Like no one ever will

Ab Bb C

So why, why do you bore me

Ab Bb C

Until my heart is still

Eb Bb

You, you wear me down

Dm

My defenses are gone now

C

And I can't fight

Eb Bb

You, you wear me down

Dm

My defenses are gone now

C

And I can't fight

Ab Bb C

I can't say I love you easily

Ab Bb C

But you wouldn't want me to

Ab Bb C

So I'd rather just say nothing

Ab Bb C

And leave it up to you

Ab Bb C

Then it's easy to forget

Ab Bb C

You're just as small as me

Ab Bb C

Then it's easy to forget

Ab Bb C

You're just as foolish as me

Eb Bb

You, you wear me down

Dm

My defenses are gone now

C

And I can't fight

Eb Bb

You, you wear me down

Dm

My defenses are gone now

C

And I can't fight

Ab Bb C

You, you make me feel

Ab Bb C

Like no one ever will

Ab Bb C

So why, why do you bore me?

Ab Bb C

Until my heart is still

Eb Bb

You, you wear me down

Dm

My defenses are gone now

C

And I can't fight

Eb Bb

You, you wear me down

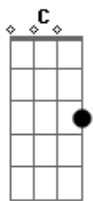

Dm

My defenses are gone now

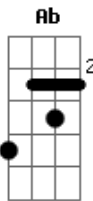

C

And I can't fight you
