

Bo Burnham - Sad

tom:

Intro: C F C Em

It's about all the sad stuff. Just picture a depressed onion cutting itself

(C F C Em)
(C F C Em)

I met a homeless man named Rich

Isn't that terrible?

I saw a flyer for a lost dog

And the dog didn't have any legs

I saw a diabetic kid trick-or-treating

I saw a giraffe who had a short neck

Am G That was sad, or a deer

E F C G I saw an old man get hit by a train

He didn't see it in the pouring rain

He didn't hear me shout, "Look out for the train!"

Because I didn't say anything

(C F C Em)

C F C Em I just thought to myself, "Ooh, this is gonna be sad."

And it was

C F C Em I'm a genius

I saw a man with only one eye

In a 3D movie

I saw a little boy drop his ice cream cone

Am Em Directly on his mother's corpse

I saw a kitten stuck in a tree

Am G Then the kitten jumped off and he hung himself

I saw a boy who had red hair

E F C G I went to a store looking for something to buy

But they only sold paintings of the same sad guy

(The last chord progression of spoken Section, ending with the G on "I'm a Sociopath!".)

[Spoken]

The world's so sad, bros. Pain, genocide, war, sexism, racism
But I've gotta remember there's good things about it too
Like the fact that none of that's happening to me! Score!
Still

Though, it's hard not to be sad about it. How do y'all do it?
I've

Been telling you guys terribly sad things this whole song; you
Haven't been sad at all. You've been--you've been happy--no
You've been laughing. That's it, laughter, it's the key to
everything

It's the way to solve all the sadness in the world! I mean not
for the

People that are actually sad, but the people like us that've
gotta

Fucking deal with them all the time. Being a comedian isn't
being

An insensitive prick capitalizing on the most animalistic
impulses

Of the public; it's being a hero. The world isn't sad. The
world's

Funny! I'm a sociopath!

C F I saw an old man slip and fall

Am G Hey, what a fucking idiot

C F I saw a woman at her daughter's funeral

Am G Ha ha ha. Classic comedy

C F Everything that once was sad

Am G Is somehow funny now

C F The Holocaust and 9/11

Am G That shit's funny 24/7, cuz

E F G Tragedy will be exclusively joked about

E F C Because my empathy is bumming me out

G E Goodbye, sadness

[Final] C F C Em C
