

Bo Burnham - Sad

tom:
Intro: C F C G Em

It's about all the sad stuff. Just picture a depressed onion cutting itself

(C F C Em)
(C F C Em)

I met a homeless man named Rich
Isn't that terrible?

I saw a flyer for a lost dog

And the dog didn't have any legs

I saw a diabetic kid trick-or-treating

I saw a giraffe who had a short neck
That was sad, or a deer

I saw an old man get hit by a train
He didn't see it in the pouring rain
He didn't hear me shout, "Look out for the train!"

Because I didn't say anything

(C F C Em)

I just thought to myself, "Ooh, this is gonna be sad."
And it was
I'm a genius

I saw a man with only one eye
In a 3D movie
I saw a little boy drop his ice cream cone

Directly on his mother's corpse
I saw a kitten stuck in a tree
Then the kitten jumped off and he hung himself
I saw a boy who had red hair

I went to a store looking for something to buy
But they only sold paintings of the same sad guy

No, wait--this store sells mirrors!

See what I did there?
Let's rock! No

(The last chord progression of spoken Section, ending with the G on "I'm a Sociopath!".)

[Spoken]
The world's so sad, bros. Pain, genocide, war, sexism, racism
But I've gotta remember there's good things about it too
Like the fact that none of that's happening to me! Score!
Still

Though, it's hard not to be sad about it. How do y'all do it?
I've

Been telling you guys terribly sad things this whole song; you
Haven't been sad at all. You've been--you've been happy--no
You've been laughing. That's it, laughter, it's the key to
everything

It's the way to solve all the sadness in the world! I mean not
for the

People that are actually sad, but the people like us that've
gotta

Fucking deal with them all the time. Being a comedian isn't
being

An insensitive prick capitalizing on the most animalistic
impulses

Of the public; it's being a hero. The world isn't sad. The
world's

Funny! I'm a sociopath!

I saw an old man slip and fall
Hey, what a fucking idiot

I saw a woman at her daughter's funeral
Ha ha ha. Classic comedy

Everything that once was sad
Is somehow funny now

The Holocaust and 9/11

That shit's funny 24/7, cuz

Tragedy will be exclusively joked about

Because my empathy is bumming me out

Goodbye, sadness
