tom:

Intro: Am D Am G

[Primeira Parte]

Am D  
Little Miss Miss, she's had some troubles but  
Am G  
She's gonna sort it out early in the morning  
Am  
And when you come home  
D Am F  
You're gonna watch her sleep, hold her close and stroke her  
face  
Am  
In the morning  
D  
You're gonna stare at her  
Am G  
And wonder why you feel the way you do now  
Am G  
But she will hold you and reach out to touch you  
Am F  
And never, never, never hurt your heart

[Pré-Refrão]

F Em D Am  
It's easy, but it's just too easy for you  
F Em D F  
She gives you everything, but that's not what you want to

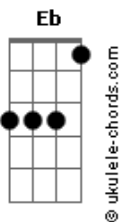

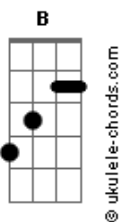

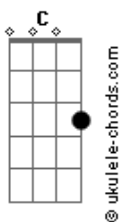

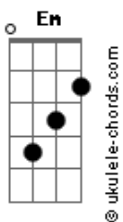

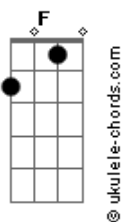

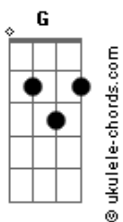

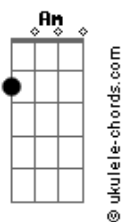

[Refrão]

D C B C B  
And in the morning, when she wakes up  
D C B C B  
You walk away now, you don't turn around  
D C B C B  
But she holds you, she holds you in her heart  
D C Am  
She'll never let you go

[Segunda Parte]

Am D  
In the evening, when you come home  
Am G  
You save the whiskey and you talk about your dreams  
Am D  
And you hold her when she cries 'cause  
Am F  
She's feeling lonely, the same way that you do  
Am D  
When you're feeling the way you're feeling now  
Am G  
You hold the pillow and you think about love  
Am D  
And when she holds you, your cold stare melts  
Am F

## Acordes

And your heart warms to her

[Pré-Refrão 2]

F Em D Am  
Oooh,woow, this girl, she's got to you and you're afraid of it  
F Em D F  
She gives you everything, but that's not what you want to

[Refrão 2]

D C B C B  
And in the morning, you're just gonna turn around  
D C B C B  
You are gonna break it, you're gonna break the bond  
D C B C B  
You're gonna smash the bottle of whiskey  
D C B C B  
And after all the things that she told you  
D C B C B  
You're gonna make love like you never cared  
D C B C B  
You're gonna make it feel like she meant nothing to you  
D C B C B  
She's gonna cry now and wonder why now  
D C Am  
The way you made her feel
