

# Bob Dylan - Can't Wait

Tom: G

Em  
I can't wait  
A Em  
Wait for you to change my mind

It's late  
A Em  
I'm tryin to walk the line

Well it's way past midnight

And there's some people all around  
A  
Some on their way up

Some on their way down  
Em A  
The air burns and I'm tryin to think straight  
C B7 Em  
And I don't know how much longer I can wait

I'm your man  
I've tried to recover the sweet love that we knew  
You understand  
That my heart can't go on beating without you  
Well your loveliness has wounded me  
I'm reeling from the blow  
I wish I knew what it was that keeps me loving you so  
I'm breathin' hard standin' at the gate

And I don't know how much longer I can wait

Skies are gray  
I'm looking for anything that will bring a happy glow  
Night or day  
It doesn't matter where I go anymore I just go 1)  
If I ever saw you comin' I don't know what I might do  
I'd like to think I could control myself  
But it isn't true  
That's how it is  
When things disintegrate  
And I don't know how much longer I can wait

A  
I'm doomed to love you

Em  
I been rollin' through stormy weather

A  
I'm thinkin' of you

B  
And all the places we could roam together

Em  
It's mighty funny  
The end of time has just begun  
Oh honey, after all these years you're still the one  
Well I'm strollin' through the lonely graveyard of my mind  
I left my life with you  
Somewhere back there along the line  
I thought somehow that I would be spared this day  
I don't know how much longer I can wait
