Well it ain't no use to sit and wonder why babe
If you don't know by now
And it ain't no use to sit and wonder why babe
It don't matter any how
When your rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm travelling on
But don't think twice it's alright

And it ain't no use in turning on your light babe
That light I never knowed

And it ain't no use in turning on your light babe C G Am
I'm on the dark side of the road D7 G G7
I wish there was something you would do or say C C7
To try and make me change my mind and stay F D7
But we never did too much talking anyway C G Am F
So don't think twice it's alright C G C

And it ain't no use in calling out my name babe C G Am
Like you never did before F C G
Ain't no use in calling out my name babe C G Am
I can't hear you any more D7 G G7
I'm thinking and a-wondering, walking down the road C C7
I once loved a woman, a child I'm told F D7 G7
I gave her my heart but she wanted my soul C G Am F
But don't think twice it's alright C G C

I'm walking down that long lonesome road babe C G Am
Where I'm bound I can't tell F C G
But goodbye is too good a word babe C G Am
So I'll just say fare thee well D7 G G7
I ain't saying you treated me unkind C C7
You could have doen better but I don't mind F D7
You just kinda wasted my precious time C G Am F
But don't think twice it's alright C G C
