Ain't no use to sit and wonder why babe  
 It don't matter anyhow  
 And it ain't no use to sit and wonder why babe  
 If you didn't know by now  
 When the rooster crows at the break of dawn  
 Look out your window and I'll be gone  
 You know you're the reason I'm travellin on  
 Don't think twice, it's alright.

Ain't no use in turning on your light babe  
 That light I never knowed  
 And it ain't no use in turnin on your light babe  
 I'm on the dark side of the road  
 Still I wish there was somethin' you could do or say  
 To try an make me change my mind and stay  
 We never did too much talking anyway  
 So don't think twice, it's alright  
 I'm walking down that long lonesome road babe  
 But where I'm bound I can't tell  
 'Cause goodbye's too good a word, gal  
 So I'll just say Fare Thee Well  
 I ain't sayin you treated me unkind  
 You could've done better, but I don't mind  
 You just kinda wasted my precious time  
 You don't think twice, it's alright

Ain't no use in callin out my name gal  
 Like you never did before  
 And it ain't no use in callin out my name gal  
 I can't hear you anymore  
 I'm a-thinkin and a-wondrin all the way down the road  
 I once loved a woman, a child I'm told  
 I gave her my heart  
 But she wanted my soul  
 So don't think twice, it's alright.
