

Bob Dylan - Dream

Tom: C

C **Dm** **F** **G7**
 While riding on a train goin' west, I fell asleep for to take some rest.

C **Am** **Dm** **F** **G7** **C**
 I dreamed a dream that made me sad,
 Concerning myself and the first few friends I had.

C **Dm** **F** **G7**
 With half damp eyes I stared into the room,
 Where my friends and I spent many an afternoon.

C **Am** **Dm** **F** **G7** **C**
 Where we together weathered many a storm,
 Laughin' and singin' 'til the early hours of the morn.

C **Dm** **F** **G7**
 By the old wooden stove where our hats were hung,
 Our words were told and our songs were sung.

C **Am** **Dm** **F** **G7** **C**
 Where we longed for nothing and were quite satisfied
 Talkin' and jokin' about the wicked world outside.

C **Dm** **F** **G7**
 With haunted hearts through the heat and cold

we never thought we could get very old.

C **F** **C** **Am** **Dm** **F** **G7** **C**
 We thought we could sit forever in fun,
 But our chances really were a million to one.

C **Dm** **F** **G7**
 As easy it was to tell black from white,
 it was all that easy to tell wrong from right.

C **Am** **Dm** **F** **G7** **C**
 Our choices were few and the thought never hit
 That the one road we travelled would ever shatter and split.

C **Dm** **F** **G7**
 How many a year has passed and gone and many a gamble has been
 lost and won

C **Am** **Dm** **F** **G7** **C**
 And many a road taken by many a friend,
 And each one of them I'll never see again.

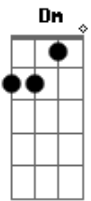

C **Dm** **F** **G7**
 I wish, I wish, I wish in vain
 that we could sit simply in that room once again,

C **Am** **Dm** **F** **G7** **C**
 Ten thousand dollars at the drop of a hat,
 I'd give it all gladly
