

Bob Dylan - Girl From The North Country

Tom: G

This song is from Dylan's 1963 album 'The Freewheelin' Bob Dylan'.

Intro: G

^G Well, if you're travellin' in the north country fair,

^G Where the winds hit heavy on the borderline

^G Remember me to one who lives there

^G She once was a true love of mine.

^G Well, if you go in the snowflake storm

^G When the rivers freeze and summer ends

^G Please see she has a coat so warm

^G To keep her from the howlin' winds.

^G Please see for me if her hair hangs long

^G

If it rolls and flows all down her breast,

Please see for me if her hair hangs long,

That's the way I remember her best.

^G I'm a wonderin' if she remembers me at all

^G Many times I've often prayed

^G In the darkness of my night

^G In the brightness of my day.

Solo

^G So if you're travellin' in the north country fair,

^G Where the winds hit heavy on the borderline

^G Remember me to one who lives there,

^G She once was a true love of mine.

Enjoy!
