

Bob Dylan - Heartland

Tom: C

There's a home place under fire tonight in the Heartland
 And the bankers are taking my home and my land from me
 There's a big gapping hole in my chest now, where my heart was
 And a hole in the sky, where God used to be

There's a home place under fire tonight in the Heartland
 There's a well where the water's so bitter nobody can't drink
 And no way to get high and my mouth is so dry that I can't talk

Oh, they know that 'm dying why nobody crying for me

My American dream, fell apart at the seams

You tell me what it means, you tell me what it means

(Instrumental:) C C7 F C G7 C C7 C7 F C G7 C

There's a home place under fire tonight in a Heartland
 and bankers are taking the homes and the land away
 There's a young boy closing his eyes tonight in a Heartland
 who will wake up a man with some land and a loan he can't pay

His American dream, fell apart at the seams
 You tell me what it means, you tell me what it means.

(Repeated)

There's a home place under fire tonight in a Heartland
