

Bob Dylan - I Shall Be Released

Tom: C

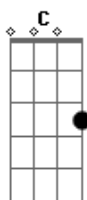

C
 They say everything can be replaced, Dm
 That every distance is not near, C
 So I remember every face, Dm
 Of every man who's put me here. C
 I see my light come shining, Dm
 From the west unto the east. G
 Any day now, any way now, C
 I shall be released. Dm
 They say every man needs protection, C
 That every man must rise and fall. Dm
 Yet I swear I see my reflection, Dm

Em Dm C
 Somewhere so high above this wall.

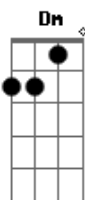

Chorus

C Dm
 Yonder stands a man in this lonely crowd, Dm
 A man who swears he's not to blame. C
 All day long I hear him shouting so loud, Dm
 He's crying out that he was framed. C
 I see my light come shining, Dm
 From the west unto the east. G
 Any day now, any way now, Dm
 I shall be released. C
 Any day now, any way now, Dm
 I shall be released. C
