I will not go down under the ground  
**G** **C**  
'Cause somebody tells me that death's coming 'round  
**C** **G**  
And I will not carry myself down to die  
**G** **C**  
When I go to my grave, my head will be high

Let me die in my footsteps, before I go down under the ground

There's been rumors of war and wars that have been  
The meaning of life has been lost in the wind  
And some people thinkin' that the end is close by  
'Stead of learning to live, they are learning to die  
Let me die in my footsteps, before I go down under the ground

I don't know if I'm smart, but I think I can see  
When someone is pulling the wool over me  
And if this war comes and death's all around  
Let me die on this land 'fore I die underground  
Let me die in my footsteps, before I go down under the ground

There's always been people that have to cause fear  
They've been talkin' about a war now for many long years  
I've read all their statements and I've not said a word  
But now, Lord God, let my poor voice be heard  
Let me die in my footsteps, before I go down under the ground

Let me drink from the waters where the mountain streams flood  
Let the smell of wild flowers flow free through my blood  
Let me sleep in your meadows with the green grassy leaves  
Let me walk down the highway with my brother in peace  
Let me die in my footsteps, before I go down under the ground

Go out in your country where the land meets the sun  
See the craters and the canyons and where the waterfalls run  
Nevada, New Mexico, Arizona, Idaho  
Let every state in this union see deep down in its soul  
And you'll die in your footsteps, before you go down under the ground
