(intro)

Em D C G
Lost John sittin' on a railroad track
?? Am
Something's out of wack
Em D G C
Blues this morning falling down like hail
G Am G
Gonna leave a greasy trail

Gonna travel the world is what I'm gonna do
Then come back and see you
All I ever do is struggle and strive
If I don't do anybody any harm, I might make it back home alive

I'm the oldest son of a crazy man
I'm in a cowboy band
Got a pile of sins to pay for and I ain't got time to hide
I'd walk through a blazing fire, baby, if I knew you was on the other side

(chorus)
G
Oh, I miss you Nettie Moore
C
And my happiness is o'er
Am G
Winter's gone, the river's on the rise
G B7
I loved you then and ever shall
C G
But there's no one here that's left to tell
C Am G
The world has gone black before my eyes
