(intro)

Em D C G
 Lost John sittin' on a railroad track
 ??
 Something's out of wack
 Em D G C
 Blues this morning falling down like hail
 G Am G
 Gonna leave a greasy trail
 Gonna travel the world is what I'm gonna do

Then come back and see you
 All I ever do is struggle and strive
 If I don't do anybody any harm, I might make it back home
 alive

I'm the oldest son of a crazy man
 I'm in a cowboy band
 Got a pile of sins to pay for and I ain't got time to hide
 I'd walk through a blazing fire, baby, if I knew you was on
 the other side

(chorus)

Oh, I miss you Nettie Moore
 And my happiness is o'er
 Am G
 Winter's gone, the river's on the rise
 I loved you then and ever shall
 C C
 But there's no one here that's left to tell
 C Am G
 The world has gone black before my eyes
