

# Bob Dylan - Political World

Tom: **G**

**Gbm**

We live in a political world  
 Love don't have any place  
 We're living in times  
 Where men commit crimes  
 And crime don't have any face.

We live in a political world  
 Icicles hanging down  
 Wedding bells ring  
 And angels sing  
 Clouds cover up the ground.

We live in a political world  
 Wisdom is thrown in jail  
 It rots in a cell  
 Is misguided as hell  
 Leaving no one to pick up a trail.

We live in a political world  
 Where mercy walks the plank  
 Life is in mirrors  
 Death disappears  
 Up the steps into the nearest bank.

We live in a political world  
 Where courage is a thing of the past  
 Houses are haunted  
 Children unwanted  
 The next day could be your last.

We live in a political world

The one we can see and feel  
 But there's no one to check  
 It's all a stacked deck  
 We all know for sure that it's real.

We live in a political world  
 In the cities of lonesome fear  
 Little by little  
 You turn in the middle  
 But you're never sure why you're here.

We live in a political world  
 Under the microscope  
 You can travel anywhere  
 And hang yourself there  
 You always got more than enough rope.

We live in a political world  
 Turning and trashing about  
 As soon as you're awake  
 You're trained to take  
 What looks like the easy way out.

We live in a political world  
 Where peace is not welcome at all  
 It's turned away from the door  
 To wonder some more  
 Or put up against the wall.

We live in a political world  
 Everything is hers and his  
 Climb into the frame  
 And shout God's name  
 But you're never sure what it is
