

Bob Dylan - Political World

Tom: **G**

Gbm

We live in a political world
 Love don't have any place
 We're living in times
 Where men commit crimes
 And crime don't have any face.

We live in a political world
 Icicles hanging down
 Wedding bells ring
 And angels sing
 Clouds cover up the ground.

We live in a political world
 Wisdom is thrown in jail
 It rots in a cell
 Is misguided as hell
 Leaving no one to pick up a trail.

We live in a political world
 Where mercy walks the plank
 Life is in mirrors
 Death disappears
 Up the steps into the nearest bank.

We live in a political world
 Where courage is a thing of the past
 Houses are haunted
 Children unwanted
 The next day could be your last.

We live in a political world

The one we can see and feel
 But there's no one to check
 It's all a stacked deck
 We all know for sure that it's real.

We live in a political world
 In the cities of lonesome fear
 Little by little
 You turn in the middle
 But you're never sure why you're here.

We live in a political world
 Under the microscope
 You can travel anywhere
 And hang yourself there
 You always got more than enough rope.

We live in a political world
 Turning and trashing about
 As soon as you're awake
 You're trained to take
 What looks like the easy way out.

We live in a political world
 Where peace is not welcome at all
 It's turned away from the door
 To wonder some more
 Or put up against the wall.

We live in a political world
 Everything is hers and his
 Climb into the frame
 And shout God's name
 But you're never sure what it is
