Seen a shooting star tonight

And I thought of you

You were trying to break into another world

A world I never knew

I always kind of wondered

if you ever made it through

Seen a shooting star tonight

And I thought of you.

Seen a shooting star tonight

And I thought of me

If I was still the same If I ever became

what you wanted me to be

Did I miss the mark or overstep the line

that only you could see

Seen a shooting star tonight

And I thought of me.

Listen to the engine listen to the bell

/b /a#

As the last firetruck from hell

goes rolling by, all good people are praying

It's the last temptation the last account

Seen a shooting star tonight slip away

Tomorrow will be another day

Guess it's too late to say the things to you

that you needed to hear me say

Seen a shooting star tonight slip away.
