Em
A worried man with a worried mind
Am
No one in front of me and nothing behind
Em B7
There's a woman on my lap and she's drinking champagne
Em
Got white skin, got assassin's eyes
Am
I'm looking up into the sapphire tempered skies
Em B7 Em
I'm well dressed, waiting on the last train
C B7 Em
Standin' on the gallows with my head in the noose
C B7
Any minute now I'm expectin' all hell to break loose

Em
People are crazy and times are strange
Am
I'm locked in tight, I'm out of range
Em B7 Em
I used to care but - things have changed

(Em Am B7)

Em
This place ain't doin' me any good
Am
I'm in the wrong town, I should've been in Hollywood
Em B7
Just for a second there I thought I saw something move
Em
Gonna take dancin' lessons, do the jitterbug rag

Am
Ain't no shortcuts, gonna dress in drag
Em B7 Em
Only a fool in here would think he got anythin' to prove
C B7 Em
Lotta water under the bridge, lotta other stuff too
C B7
Don't get up gentlemen, I'm only passing through

(Em Am B7)

Em
I've been walkin' forty miles of bad road
Am
If the Bible is right the world will explode
Em B7
I'm tryin' to get as far away from myself, as I can
Em
Some things are too hot to touch
Am
The human mind can only stand so much
Em B7 Em
You can't win, with a losing hand
C B7 Em
Feel like falling in love, with the first woman I meet
C B7
Puttin' her in a wheelbarrow, and wheelin' her down the street

Em
I hurt easy, I just don't show it
Am
You can hurt someone and not even know it
Em B7
The next sixty seconds could be like an, eternity
Em
Gonna get lowdown, gonna fly high
Am
All the truth in the world adds up to one big lie
Em B7 Em
I'm in love with a woman that don't even appeal to me
C B7 Em
Mr. Jinx and miss Lucy they jumped in a lake
C B7
I'm not that eager to make a mistake
