

# Bob Dylan - Watching The River Flow

Tom: A

(afinação) E B E Ab B E

A E A

What's the matter with me? I don't have much to say

Daylight's sneaking' through the window

And I'm still in this all night cafe

Walking to and fro beneath the moon

Out to where the trucks are rolling slow

Sit out on this bank of sand and watch the river flow

Wish I was back in the city instead of this ol' bank of sand

With the sun beatin' down over the chimney tops

And the one I love so close at hand

If I had wings and I could fly, I know where I would go

But right now I just sit here so contentedly

And watch the river flow

TURNAROUND 3

(bridge)

People disagreein' on just about everything, yep

Makes you stop and wonder why

And watch the river flow

Why only yesterday I saw someone on the street

Who just couldn't help but cry

(chorus)

Wo, but this old river keeps on rollin' though

No matter what gets in the way and which was the wind does blow

And as long as it does I just sit here

And watch the river flow

(solo)

(bridge)

People disagreein' everywhere you look

Makes you want to stop and read a book

Why only yesterday I saw somebody on the street

That was a-really shook ...

(chorus)

Watch the river flow, watching the river flow

Watching the river flow

Well, I just sit out on this bank of sand

And watch the river flow
