

# Bob Dylan - Went To See The Gypsy

Tom: G

G Am G Am

Am G  
Went to see the gypsy,  
Am G  
Stayin' in a big hotel.  
Am G  
He smiled when he saw me coming,  
Am D  
And he said, "Well, well, well."  
G  
His room was dark and crowded,  
Am G  
Lights were low and dim.  
C Gb Am G  
How are you?" he said to me,  
Am  
I said it back to him.

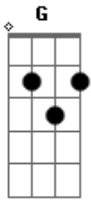

D G  
I went down to the lobby  
Am G  
To make a small call out.  
Am  
A pretty dancing girl was there,  
And she began to shout,  
D G  
"Go on back to see the gypsy.  
Am (Bm) G [piano bass line: c b a g]  
He can move you from the rear,  
C Gb Am G  
Drive you from your fear,

C Gb Am G  
Bring you through the mirror.  
C Gb Am G  
He did it in Las Vegas,  
Am  
And he can do it here."

F G  
Outside the lights were shining  
F F  
On the river of tears,  
F G  
I watched them from the distance  
C Am  
With music in my ears.

D G  
I went back to see the gypsy,  
Am D G  
It was nearly early dawn.  
Am G  
The gypsy's door was open wide  
Am  
But the gypsy was gone,  
D G  
And that pretty dancing girl,  
Am G  
She could not be found.  
C G Am  
So I watched that sun come rising  
G Am  
From that little Minnesota town,  
D G  
From that little Minnesota town.
