sweet Our conversation was short and Bird on the horizon  
Sittin' on a fence  
He's singing his song for me  
At his own expense  
And I'm just like that bird  
Oh-oh  
Singin' just for you  
Oh-oh  
I hope that you can hear  
Hear me singin' through these tears

And I'm Nearly knocked me off of my feet Love is so simple  
To quote a phrase  
You've known it all the time  
I'm learnin' it these days  
Oh, I know where I can find you  
Oh-oh  
In somebody's room  
Oh-oh  
back in the rain, oh, and you are It's a price I have to pay  
You're a big girl all the way  
on dry

land, oh, You made it Time is a jet plane  
It moves too fast  
Oh but what a shame  
That all we've shared can't last  
I can change I swear  
Oh-oh  
See what you can do  
Mm-mm  
how girl now. You're a big I can make it through  
You can make it too  
A change in the weather  
Can be extreme  
But it ain't like changing  
Horses in midstream  
I'm going out of my mind  
Oh-oh  
With a pain that stops and starts  
Mm-mm  
Like a corkscrew to my heart  
Ever since we've been apart
